

CROKER

Using this diagram, you can work out which sized handles are best suited for your grip...

Make sure you measure from this point to the tip of your longest finger

1. Print at 100%
2. Check with ruler **PINK ARROW** is exactly 120mm
3. Fold at **DOTTED LINE**
4. Put folded line over edge of table
5. Place hand on top with **THUMB** down (like picture)
6. Note your size
